

UNK TEAM CAMP INFORMATION & REGISTRATION

Spring 2021

Dear Coach,

Thank you for your interest in UNK Volleyball Team Camp. We greatly appreciate the opportunity to host your team for an exciting weekend of competition. There are a couple of steps to complete your team's registration. Please choose one of the following options to finalize the process.

****PREFERRED** OPTION A with Online Camper Registration (COACHES DON'T HAVE TO HANDLE ANY PAPERWORK FROM THEIR PLAYERS):

1. Register your team(s) online at www.unkvolleyballcamps.com OR email squiersr@unk.edu to designate the number of teams and their respective divisions, OR complete and return the bottom section of this page. *Please see description of divisions below.
2. Direct individual participating players to www.unkvolleyballcamps.com to complete their registration process. Make sure they click on the correct session(s). They can make full payment with credit card (processing fees apply for online registration) or choose to pay by check after they complete the online registration. The coach or school could send in a check for the team (or individual players) at a later date as well.

OPTION B with Paper Registration:

1. Either Email squiersr@unk.edu to designate the number of teams and their respective divisions, OR complete and return the bottom section of this page. *Please see description of divisions below.
2. Coach or team chaperone collect printed registration forms from ALL players and mail to UNK Volleyball Office with either \$25.00 PER PLAYER non-refundable deposit (is transferable), OR send full payment (Checks payable to UNK). It is also important to have your campers' parents **sign the authorization form from the UNK VB Camp brochure prior to camp**. Feel free to make copies from the web page at lopers.com or unkvolleyballcamps.com. Coaches should collect any remaining fee balance and bring to check-in or send prior to camp.
